GENERAL INFO

Our primary purpose in collecting personal information is to provide you with a safer browsing experience and better services. We only collect personal information about you that we consider necessary for this purpose and to achieve this goal.

You are under no obligation to provide us with this information and can access many aspects of the Site without providing us any personal information.

When you visit this website, we can record certain information in relation to your visit such as:

- Your IP or proxy server IP;
- Basic domain information;
- Your Internet service provider is sometimes captured depending on the configuration of your ISP connection;
- The date and time of your visit to the website;
- The length of your session;
- The pages which you have accessed;
- The number of times you access our site within any month;
- The size of file you look at;
- The website which referred you to our website; and
- The operating system which your computer uses.

This information is only used for statistical and website development purposes.

Various pages on this Site invite you to provide us your name and contact details, for example, to enable us to provide you with support related services.

If you use our Site's feedback and support forms, you are asked to provide information such as but not limited to your name, organization, address, email address. FINdustries, LLC. (FINdustries) will not otherwise collect information from you through this Site unless you knowingly provide it to us.

By voluntarily providing information to us when using the Site, you are consenting to the collection and use of your personal information by us.

USE OF INFORMATION AND DISCLOSURE

FINdustries will only use the information it collects through the Site for the following purposes:

- Forwarding important information relating to FINdustries activities and other requested information
- Contacting you in response to your feedback or query to discuss our services;
- Monitoring Site performance;
- Improving our Site and services to you;
- Internal administration; and
- Other purposes that are in accordance with your instructions.

FINdustries will not give, sell, trade or otherwise disclose any personal information about you to a third party unless:

- You have provided us with your consent; or
- We are required to do so by law.

COOKIES AND ADVERTISING

Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enable the sites or service providers systems to recognize your browser and capture and remember certain information.

We use cookies to help us remember and process the items in your shopping cart, understand and save your preferences for future visits, keep track of advertisements and compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future. We may contract with third-party service providers to assist us in better understanding our site visitors. These service providers are not permitted to use the information collected on our behalf except to help us conduct and improve our business.

If you prefer, you can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies via your browser settings. Like most websites, if you turn your cookies off, some of our services may not function properly. However, you can still place orders by contacting customer service.

DISCLAIMER

This Site contains links to other sites. FINdustries is not responsible for the privacy practices of linked sites. Underlined words and phrases are click-through links or hyperlinks to pages and websites. FINdustries strongly recommends that you read the Privacy Policy of the linked websites as they may contain further terms and conditions which apply to you.

SECURITY

We implement a variety of security measures to maintain the safety of your personal information when you place an order or enter, submit, or access your personal information.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our Payment gateway providers database only to be accessible by those authorized with special access rights to such systems, and are required to keep the information confidential.

After a transaction, your private information (credit cards, social security numbers, financials, etc.) will not be stored on our servers.

AMENDMENTS TO THE PRIVACY POLICY

We may change this Policy. Such changes will be effective when a notice of the change is made available on the Site.

ONLINE PRIVACY ONLY

This online privacy policy applies only to information collected through our website and not to information collected offline.

YOUR CONSENT

By using our site, you consent to our privacy policy.

CHANGES TO OUR PRIVACY POLICY

If we decide to change our privacy policy, we will post those changes on this page.
